STEP 5: Scroll down to the topic: **Money Currently Available in Your JSS-Tripler Account**. This records your JSS-Tripler profit balance which has not been taken out. In the example shown above, the balance is \$37.70. You will, first of all, need to transfer your earnings to the main JSS account in order to withdraw.

You are able to transfer money from your JSS-Tripler account to your Main JSS Account at anytime - the transfer of your funds is immediate - then, you can log in to your Main JSS Account, to request a withdrawal to your AlertPay account, normally carried out within 24-36 hours. HOWEVER, YOU CAN BUY A NEW POSITION AND EARN AGAIN AND AGAIN! In fact, that is the FASTEST WAY, to earn the MOST MONEY! Simply reinvest your earnings as long as you are able, as this compounds your earnings! Buy a New Position INSTEAD of Withdrawing !!							
	Your current balance av	ailable in your JSS-Tripler Acount is shown below:

STEP 16: Scroll down until you see the "Request Withdrawal of Funds" tab and click on it.

STEP 17: In the left box, you can see the Amount Available which was transferred earlier from JSS-Tripler, which is \$20. To withdraw the funds, select the desired payment processor and click on "Start My Withdrawal Request".

STEP 18: Key in the amount that you wish to withdraw, in this case, \$20. Do not key in the "\$" sign as it will be rejected. If this is the first time that you are withdrawing funds, make sure that the AlertPay email address shown on this page is correct! Once all is in order, click on the "Submit" tab.

STEP 19: Confirm the amount and click on "Yes, Process My Withdrawal".

STEP 20: Your withdrawal is complete! Your funds will be transferred to your AlertPay account within 24-36 hours.

It is a good idea to repurchase positions with your earnings as this will help you increase your daily earnings over time. Good luck in your future with JBP!
